MEMORANDUM FOR: See Distribution

At yesterday's Staff Meeting, I spoke of the need to forward materials for the DCI to convey to Secretary Vance prior to the latter's departure for China and said I would circulate a note on the Secretary's itinerary. He will return from London on the evening of 12 August and departs for the Far East at 1000, 20 August. Given the DCI's tentative schedule, material should be forwarded to him for the Secretary by 11 August.
